2015 VVA National Convention

The 2015 VVA National Convention and AVVA National Convention were held on July 21-26 in Springfield, Illinois. Seven members from our Chapter attended. Larry Googins, Jake Barsottini, Phillip Morris, Michelle Wilcox & Terri Carr represented VVA. Bobbie Morris & Carl Curtis represented AVVA.

The Convention opened with an inspiring and memorable keynote speech by former POW William A. Robinson. While serving as a crew chief aboard a USAF Rescue helicopter, Airman First Class William A. Robinson was shot down and captured in Ha Tinh Province, North Vietnam, on September 20, 1965. After a brief stint at the "Hanoi Hilton" prison, Robinson endured 2,703 days in multiple North Vietnamese prison camps, including the notorious "Briarpatch" and various compounds, known by the POWs as the "Zoo." No enlisted man in American military history has been held as a POW longer than Robinson. For seven and a half years, he faced daily privations and endured the full range of the North Vietnam's torture program.

The remaining days were spent attending national committee meetings on VVA constitutional changes and VVA National Resolutions. Another primary objective is the biennial election of VVA National Officers. As a result, the four current officers were re-elected for another two years: President John Rowan, Vice-President Marsha Four, Secretary Bill Meeks, and Treasurer Wayne Reynolds. Also, nine regional directors and eleven at-large directors were either elected or re-elected to complete the National Board of Directors.

During the convention, several state, chapter and individual awards are announced and presented. One of the chapter awards is the membership growth award, which is given to the chapters that have the largest increase in membership during the previous fiscal year. There are seven categories of chapters based on their membership size, ranging from (a minimum of) 25 to 700 (or more) members. I am pleased to announce that **Chapter 862 received the National Membership Growth Award** for the 601-700 member category (see photo on page 7). This is a result of the continued work of many members of our chapter in recruiting new veterans and maintaining our current members through our life membership drives. Great job everyone!

Overall, the National Convention was a success. The VVA National Constitution was updated and some important Resolutions were either made or ratified to plot our course for future years. Our chapter delegates attended multiple committee meetings and now have a better idea about the function of our national organization. I think that everyone noticed some good functional areas and some others that need urgent attention. Jake Barsottini and I, representing PA State Council, will attend the next VVA National Committee meetings in Silver Spring, MD in October and see if the "pre-election promises" are being addressed.

Thanks again for the great work and "Welcome Home."

**POW / MIA - Information taken from the
National League of POW/MIA Families**

AMERICANS ACCOUNTED FOR: There still has been no published change to the number unaccounted-for since the April 10th Update. For various reasons, including wishes of the family, DoD announcements are often delayed far beyond the ID dates, and others are likely pending. Several of those named this year were examples of how remains repatriated many years ago can now be identified using contemporary science that wasn't available in earlier years. The number of Americans now listed by DoD as returned and identified since the end of the Vietnam War in 1975 is 956. Another 63 US personnel, recovered by the US and identified before the end of the war, bring the total of US personnel accounted for from the Vietnam War to 1,019. Of the **1,627 still unaccounted-for**, 90% were lost in Vietnam or in areas of Cambodia and Laos under Vietnam's wartime control: Vietnam-1,269 (VN-467, VS-802); Laos-302; Cambodia-49; PRC territorial waters-7. These country-specific numbers can and do fluctuate due to investigations resulting in changed locations of loss. The League seeks the fullest possible accounting for those still missing, and repatriation of all recoverable remains.

NEW DPAA DIRECTOR NAMED & NOW MOVING FORWARD

LTG (ret) Mike Linnington, USA, the new permanent Director, Defense POW/MIA Accounting Agency (DPAA), was named just before the League's 46th Annual Meeting. While always cautious to not overstate support for people named to positions of responsibility in the POW/MIA accounting mission, it is no overstatement to recognize his outstanding, varied background that is explained more fully in the upcoming League Newsletter.

Important now are the several steps he has already taken that clearly reveal he is moving energetically, though thoughtfully, to follow directives issued by former Secretary of Defense Chuck Hagel to "completely reorganize" the POW/MIA accounting community. While structural change is always rife with turmoil and uncertainty, as the League has experienced repeatedly, Mr. Linnington is moving out smartly. His restructure plans dramatically move the mission forward and, importantly, adhere to Secretary Hagel's directive to "build on the existing strengths" of the accounting community. As a result, he is moving beyond the recommendations he received from Vice Admiral Michael Franken, USN, whose vision for DPAA related more to a concept for production of "products" than to a viable plan to pursue accounting objectives for missing US personnel and their families.

Already confirmed is that former JPAC Detachments in Thailand, Vietnam and Laos will continue to be Detachments 1, 2 and 3, respectively, reporting to the incoming Deputy Director (an active-duty Army Brigadier General) who will likely be announced next week.

POW News (cont from Page 2)

The long-serving, indispensable civilian specialists in the Detachments are expected to be extended. The small contingent of personnel deployed to support operations in Europe will also continue to be a Liaison Office, possibly reporting to a European Regional Director. The placement in the new structure of the Joint Commission Support Directorate (JCSD) is not yet known, but has unique status within DPAA due to also supporting the work of the US-Russia Joint Commission (USRJC) on POW/MIA Affairs.

A symposium will be held in Hawaii, immediately following the "Blessing & Dedication Ceremony) on July 27th. This symposium will provide an opportunity for the DPAA leadership, including all Directors and Deputies, to utilize the newly improved restructure and sort out the sub-structure, moving tasks as needed, but getting to a nearly finalized structure. I look forward to seeing that product.

Chairman's Comment: Mike Linnington knows he has a very challenging road ahead to earn the trust of a dedicated and talented workforce, as well as add the kind of people he wants and can depend on to move DPAA forward. He is moving NOW and already has learned far more than one would expect after such a very short time in the position. He pledged at the League's 46th Annual Meeting that he is in this for the long haul and knows it will take time, but asked for support, assistance and patience as he tackles the challenges. I'm convinced that he really is the right guy and this is the right time.

Right now truly is the accounting mission's last chance to move forward with the priority required, fully supported by State and DoD policy and resourced with funding and personnel required. There will be NO further such opportunities, precisely the reason I'm determined to ensure that Mike Linnington gets all the support and assistance he needs from the many honest, caring and determined people working in the accounting community, and not be influenced by the self-serving, insecure people who are likely doing their best to remain in positions they should not hold.

POW News (cont from Page 3)

We all should be grateful to Under Secretary of Defense for Policy Christine Wormuth for selecting a person like Mike Linnington who is self-confident, but not a know-it-all, who isn't afraid to be seen as learning, which he is doing in spades. Yes, he has much to learn, and many self-serving people still surround him, so dangers persist, but many are trying in every possible way to help him gain solid, objective insights.

Finally, I attended LTG Linnington's retirement on June 17th and had talked with him many times in his advisory role to Under Secretary Wormuth, VADM Franken and Maj Gen Kelly McKeague relating to the "complete reorganization" of the entire community. As a result, I can attest to the esteem in which he is held by a broad cross-section of military and civilian personnel. From the lowest level to those at the top, all seem to genuinely like and admire him. Mr. Linnington was sworn in on Monday, June 22nd, as the civilian Senior Executive Service Level 3 Director of DPAA. It is my hope, prayer and expectation that he will work to achieve the objectives we share, and do so with honor, integrity, humility, dedication, energy and determination. That is all we can ask. All we should expect is his very best effort, and we do, but he will also need our full support and that of all POW/MIA-related personnel, especially the demoralized former JPAC, DPMO and LSEL personnel now in DPAA. Therefore, we, the Vietnam War families and our many concerned Veteran organizations, individual veterans and civilian supporters, ask all dedicated accounting community personnel – especially the experienced civilian core – to set aside the justifiable frustrations and obstacles you have endured for far too many years and focus on what is possible with our new DPAA Director. I honestly believe DPAA truly can become the central accounting focus we all have sorely missed since 1992 – a cohesive, interagency US Government priority that will, with the support of all, achieve the fullest possible accounting. This longstanding, entirely reasonable League objective is defined as 1) the missing man returned alive; or 2) his remains recovered and identified; or 3) convincing evidence as to why neither is possible, in which case he will remain forever as unrecovered, but all information will be provided to the next-of-kin who will then have the certainty of knowing the US Government did its very best to bring him home to his family and our Nation.

46TH ANNUAL MEETING: The June 24-27th meeting was the largest, most comprehensive and compelling annual meeting in years. The Hilton sold out, responses from senior leaders were positive, and official animosity toward the League seems to have disappeared in favor of a partnership not seen since 1992. A full report will be in the upcoming League Newsletter. Until July 18, 1979, no commemoration was held to honor America's POW/MIAs, those returned and those still missing and unaccounted for from our nation's wars. That first year, resolutions were passed in the Congress and the national ceremony was held at the National Cathedral, Washington, DC. The Missing Man Formation was flown by the 1st Tactical Squadron, Langley AFB, Virginia. The Veterans Administration published a poster with the letters "POW/MIA" and that format was continued until 1982, when a black and white drawing of a POW in harsh captivity was used to convey the urgency of the situation and the priority that President Ronald Reagan assigned to achieving the fullest possible accounting for Americans still missing from the Vietnam War. For the next ten years, the various renditions of the American Eagle, by artist and Vietnam Veteran Tom Nielsen, came to symbolize America's POW/MIAs and our nation's efforts to bring them home.

National POW/MIA Recognition Day legislation was introduced yearly until 1995 when Congress opted to discontinue considering legislation to designate special commemorative days. Since then, the President has signed an annual proclamation. In the early years, the date was routinely set in close proximity to the League's annual meetings. In the mid-1980's, the American Ex-POWs decided that they wished to see the date established as April 9th, the date during World War II when the largest number of Americans were captured. As a result, legislation urged by the American Ex-POWs was passed covering two years, July 20, 1984, as initially proposed, and April 9, 1985, the latter of which had to be cancelled due to inclement weather, a concern that had been expressed with the proposed April 9th date.

POW News (cont on Page 7)

POW News (cont from Page 6)

The 1984 National POW/MIA Recognition Day ceremony was held at the White House, hosted by President Reagan. At this most impressive ceremony, the Reagan Administration balanced the focus to honor all returned POWs and renew national commitment to accounting as fully as possible for those still missing. Perhaps the most impressive Missing Man Formation ever flown was that year, up the Ellipse and directly over the White House.

Subsequently, in an effort to accommodate all returned POWs and all Americans still missing and unaccounted for from all wars, the League proposed the third Friday in September, a date not associated with any particular war, not in conjunction with any organization's national convention and a time when weather nationwide is usually moderate? Most national ceremonies have been held at the Pentagon; however, in addition to the July 20, 1984, White House ceremony noted above, the September 19, 1986, national ceremony was held on the steps of the U.S. Capitol facing the National Mall, also concluding with a flight of high performance military aircraft in Missing Man Formation.

National POW/MIA Recognition Day ceremonies are now held throughout the nation and around the world on military installations, ships at sea, state capitols, at schools, churches, national veteran and civic organizations, police and fire departments, fire stations, etc. The League's POW/MIA flag is flown and the focus is to ensure that America remembers its responsibility to stand behind those who serve our Nation and do everything possible to account for those who do not return.

On Saturday September 12, 2015 Vietnam Veterans Chapter 862 and Rochester, PA VFW will host their annual **POW/MIA Motor Cycle Run thru** out Beaver Country, Where a Memorial Service will be held at the Vietnam Memorial Beaver, Pa. at approximately 4:00 p.m.

Senator Vogel Seeking Local Photos for District Calendar

While admitting that he's definitely biased on the issue, Senator Elder Vogel believes his 47th Senatorial District is one of the most scenic and picturesque areas of the Commonwealth of Pennsylvania and he's looking for photos that capture the area's spirit and beauty.

Senator Vogel is holding a photo contest in which the work of the winners will be featured in a 2016 "Scenes from the 47th Senatorial District" calendar.

Contestants can submit **two photos per category** of their favorite shots. The categories are: **spring, summer, fall and winter**. The contest is open to all individuals, both children and adults, but photos must have been taken within the boundaries of the 47th District. The contest will remain open for submissions until August 31. Voting will take place in September with the winners to be announced in October.

"From rolling farms to bustling main streets, the picturesque vistas throughout the many boroughs and townships that make up my senate district are a photographer's dream," Senator Vogel said. "It's that little old church you drive by each day or an eagle nesting above the river, the annual parade or a school sporting event. I want you to share the local sights and scenes that you capture with your 47th Senate District neighbors."

Lee's Tid Bits:

Wow! What a summer!

Busy Busy Busy!

I have to say "Hats Off" to the committee that has taken care of the **BCCI Event** every year. This was my first chance to attend and take part in the "Opening Ceremony." It was nice having John Dudo's son and another fellow from the Merchant Marines Academy take part also. I have been to many Gun Bash's around the area but nothing as organized as this one. What an Ending with Donnie Iris & the Cruiser's. You can tell this wasn't their first Rodeo. A lot of time and effort goes into this every year and it shows.

Now as we move into August, we continue with our VVA 862 activities :

**Aug 12 VVA BOD Meet 5:00 PM
VVA 862 Meet 7:00 PM**

**Aug 14 VVA 862 Honor Guard Practice
6:00 PM Midland VFW**

**Aug 19 VVA 862 Chapter Picnic
3:00 PM @ Industry Park**

**Aug 21 - 23 Beaver River Regatta
(Opening 6:00 PM)**

Aug 25 - 29 "Hookstown Fair" VVA Booth

**Aug 29 VVA 862 "Duck Race"
6:00 PM @ Fair**

These events will be brought up at our upcoming meeting. They will be needing help.

Once in a LIFETIME Membership Offer (**Now in PROGRESS**)

Starting the first of August, we're making a Once in a Lifetime Membership offer. Until December 31,

"You" can purchase a Vietnam Veterans of America Life Membership for **just \$100**. There are no age restrictions, no small print, no contingencies. It's that simple. This has never happened before. It probably won't happen again.

Send us \$100 by check with your "Transfer Slip" and you will be made a life member of VVA 862 here in Southwestern, PA.

Eligibility hasn't changed. Membership is open to U.S. armed forces veterans who served on active duty (for other than training purposes) in the Republic of Vietnam between February 28, 1961, and May 7, 1975, or in any duty location between August 5, 1964, and May 7, 1975.

This deal applies **only to those who apply for life membership between August 1 and December 31 of this year.**

PLEASE NOTE:

There will be no refunds for those who applied before August 1, and no discounts for those who apply after the end of the year.

If you've been considering becoming a life member, now is the time to act. It's such a good deal that even if you haven't considered a life membership, you should take advantage of this limited-time offer.

AVVA also is offering a reduction in life membership dues.

VA News Release

[VA Expands Review of Chemical Exposure in Drinking Water at Marine Corps Base Camp Lejeune](#)

08/03/2015 06:40 PM EDT

WASHINGTON – As part of VA’s ongoing commitment to provide care to Veterans and their families, the Department of Veterans Affairs today announced that it will start the process of amending its regulations to establish presumptions of service connection for certain conditions resulting from exposure to contaminated drinking water at the U.S. Marine Corps Base Camp Lejeune in North Carolina.

This process is in addition to the healthcare VA already provides for 15 conditions to eligible Veterans who were stationed at Camp Lejeune for at least 30 days between August 1, 1953 and December 31, 1987 as a result of the Honoring America’s Veterans and Caring for Camp Lejeune Families Act of 2012. VA also provides reimbursement of healthcare expenses for those 15 conditions to eligible family members who resided at Camp Lejeune during that time period.

The Secretary of Veterans Affairs recently met with Senators Isakson, Burr and Tillis and the Director of the Agency for Toxic Substances and Disease Registry (ATSDR) to discuss the creation of presumptions of service connection for diseases associated with the contaminated water at Camp Lejeune. The diseases that are currently being reviewed for potential presumptive service connection include kidney cancer, angiosarcoma of the liver, and acute myelogenous leukemia, which are known to be related to long-term exposure to the chemicals that were in the water at Lejeune from the 1950s through 1987. The chemicals are Benzene, Vinyl Chloride, Trichloroethylene and Perchloroethylene, which are known as volatile organic compounds, used in industrial solvents and components of fuels. ATSDR and VA representatives will meet at ATSDR offices on August 19 to begin discussions on establishing these presumptions.

VA will also work with ATSDR and potentially the National Academy of Sciences to evaluate the body of scientific knowledge and research related to exposure to these chemicals and the subsequent development of other diseases. VA will carefully consider all public comments received when determining the final scope of any presumptions.

Veterans with health problems they believe are related to exposure to the water at Camp Lejeune may file a claim for disability compensation online at www.ebenefits.va.gov, or call 1-800-827-1000 for assistance.

For more information, Veterans and family members should contact the nearest VA healthcare facility by calling 1-877-222-VETS (8387) or visit www.publichealth.va.gov/exposures/camp-lejeune. For further information on Camp Lejeune: VHA Office of Public Health has a Website on Camp Lejeune historical water contamination at: www.publichealth.va.gov/exposures/camp-lejeune/index.asp.

The U.S. Marine Corps encourages all those who lived or worked at Camp Lejeune before 1987 to register for notifications regarding Camp Lejeune Historic Drinking Water at <https://clnr.hqi.usmc.mil/elwater>.

If you have friends that were at Camp Lejeune and are not members of VVA Chapter 862, you may want to spread the word.
