Have No Shame ! It's Not Your Fault !!!

I often visit with friends from long ago, but this time was so different! I went to my place, a place I go to talk to them and they were waiting. It all started out about as it has so many times before. But it was my time to listen to them. As I started with my old guilt, pains and shame of their loss, I was stopped dead in my thoughts! A voice came over my place, one I have heard before but I guess I never really listened to it as I should have? My friend Paul stood out, around him sat many, many rows of men all looking and watching, then Paul says to me, Brother, **HAVE NO SHAME !** Here we are for you as always but it's your time to listen to us as we have listened and watched over you for so long now, just listen and learn. For you and for us, our time has finally come, and for you and us **HAVE NO SHAME !** We are the lucky ones, our war ended many years ago, we have watched and heard all our Brothers such as you carry the shame way too far. We are at peace, we feel no pain or carry any shame except that of which holds you down. We are in a much better place, here all is plenty and all are at peace! Look at us, you'll see no pain, you hear no shame, we are happy, happy to know you, our Brothers, will never forget. And it is our wish that you, **HAVE NO SHAME !** It is not your fault, what happened to us, it was meant to be. You can not change it, and we don't want any of it changed.

You see we **HAVE NO SHAME !** This place is one of plenty. All we are is here and all we need is everywhere we go. Be it fish in the stream or trees in the mountain or sand on the beaches. Tell all our Brothers to listen to what they hear, it's not just the wind. It's okay Brothers, don't go to the dark places, don't feel guilt or pain, and most of all **HAVE NO SHAME !** You see, we are the lucky ones! It's okay ! We watch over you, we know you will never forget. We will be here for you any time you need us. Pass on our wishes and let all our Brothers hear **HAVE NO SHAME !** It's okay man, it's ok ! Pass on the love, that's all we ask and ,,,,,, **HAVE NO SHAME !** No, it will not go away, and you cannot change it. The fear, the hate, the guilt, the pain. But try and not let it guide you, don't let the dark of it all be your life. Here we have let that part all go, please try hard to work on that which you can't control, and please for us and for all our Brothers **HAVE NO SHAME !**

Dedicated to all my Brothers and Sisters & L/Cpl. Paul Stedman, USMC / KIA Feb. 26, 1968 Khe- Sanh / **Author VVA 862 Life Member David R. Wingfield.....**who also wrote an outstanding book "Running With The Hounds" / you can order his book @ <http://www.runningwiththehounds.org/>

POW Update January 15, 2014

AMERICANS ACCOUNTED FOR: There are still **1,643** personnel listed by the Department of Defense (DoD) as missing and unaccounted-for from the Vietnam War. The most recent DoD posting on the issue identified **SSG Lawrence Woods, USA/SF**, of TN, listed as KIA/BNR in South Vietnam on October 24, 1964. His remains were recovered on April 13, 2010 and identified September 4, 2013. Earlier, DoD posted the identification of **Colonel Francis J. McGouldrick, Jr., USAF**, of CT, listed as MIA in Laos on December 13, 1968. His remains were repatriated May 22, 2012 and identified August 28, 2013. The number of Americans announced by DoD as returned and identified since the end of the Vietnam War in 1975 is still **940**.

Another 63 US personnel, recovered by the US and ID'd before the end of the war, bring the official total of US personnel accounted for from the Vietnam War to 1,003. Of the 1,643 unaccounted-for personnel, 90% were lost in Vietnam or in areas of Cambodia and Laos under Vietnam's wartime control: Vietnam-1,275 (VN-469, VS-806); Laos-308; Cambodia-53; PRC territorial waters-7; over-water losses on DoD's list of No Further Pursuit cases number well over 600.

VIETNAM WAR FIELD OPERATIONS: Despite nearly endless challenges, including budget glitches, operational postponements and juggling required to reschedule Joint Field Activities (JFAs), JPAC is deploying teams to two Southeast Asian countries during this first month of 2014, despite more last-minute scares regarding funding reliability.

LAOS: With budget agreement reached, JPAC started a JFA in Laos January 14th that is expected to conclude on February 17th. Three teams are conducting recovery operations and one Investigation Team (IT), augmented by the DIA Stony Beach specialist, will also conduct several investigations.

CAMBODIA: Operations in Cambodia by one Recovery Teams (RT) and one Underwater Recovery Team (URT), postponed twice this past year, are now scheduled for January 28th – April 2nd. Since the Stony Beach specialist is permanently in-country and conducts investigations whenever needed, there are no investigations scheduled in conjunction with the JFA.

VIETNAM: Four Recovery Teams are scheduled to conduct operations in Vietnam from February 28th to March 27th. Two Investigation Teams will also deploy on this Joint Field Activities.

POW Update (cont from Page 2)

VIETNAM: US-Vietnam POW/MIA Consultations were held September 26th, led by JPAC Commander Maj Gen Kelly McKeague, USAF, with DPMO, DIA's Stony Beach and Embassy-Hanoi participation. A commemorative dinner was held the night before to celebrate recent years of steadily improving POW/MIA cooperation. Although invited to attend, the League's Chairman of the Board regretted and sent a letter that was read aloud and well-received, according to the JPAC Commander. The Joint Field Activity (JFA) in Vietnam, scheduled for November, was initially postponed due to lack of funding. Once agreement was reached on a Continuing Resolution to temporarily fund the government, the Vietnam JFA was back on, though significantly reduced in scope. It is now concluded, and the team has returned to Hawaii.

In a very important development, Vietnamese Deputy Minister of National Defense LTG Nguyen Chi Vinh was in Washington, DC, for October 29th bilateral Defense Policy Dialogue. In response to a League request, Minister Vinh and his delegation met with Chairman of the Board Ann Mills-Griffiths on Sunday, October 27th. Mills-Griffiths thanked Minister Vinh for taking the time to meet and for significant improvements in cooperation, particularly since 2009, including increased provision of archival documents, access to previously restricted areas, and improved quality and professionalism of SRV participants working with US counterparts. Mills-Griffiths then highlighted two areas on which support is needed: 1) agreement for the US to field additional teams in the central highlands where most of the remaining unresolved losses occurred; and 2) agreement for the two DIA Stony Beach POW/MIA investigation specialists to be permanently assigned at the US Embassy in Hanoi.

Minister Vinh stated 1) he had brought more documents sought by the US to turn over to DoD officials, 2) agreed to additional US personnel operating in the central provinces, and 3) saw no problem with permanent stationing of the two DIA specialists, providing their mission was clear, i.e. focused solely on POW/MIA-related information, indicating it should simply be handled as other such requests through the US Embassy.

Minister Vinh asked for additional US emphasis on and support for addressing "war legacy issues," including de-mining and humanitarian assistance for the disabled and their families, and for information that might help locate Vietnamese who died and whose remains are not yet recovered. He suggested that bilateral US-Vietnam cooperation on the humanitarian accounting mission should be publicized to serve as an example to the world of what can be accomplished by working together on such matters. In a post-DoD meeting wrap-up, observers reported that Minister Vinh indicated there were no barriers to his government's willingness to assist and again suggested publicizing the success of bilateral US-Vietnam cooperation on the humanitarian accounting mission.

SHORTROUNDS

L/Cpl. Kylie Watson, age 23, a fully qualified battlefield medic recently earned the "Military Cross For Extraordinary Heroism." She is a member of the U.K. Royal Army Medical Corps and stands just 5'1". Kylie is one of only four women in history to bear the coveted initials "M C" after her name. A real sweetheart but don't mess with her.

LADY MARINES - more then 1/2 of the female recruits can't meet their requirements for combat. 55% can't do 3 pull-ups where you need 8 for a perfect score.....Men need 20 for a perfect score. 2016 is to be the year that opens up for ladies in combat.....wait a minute.....We already have ladies in combat.... we already have ladies who were KIA and WIA and POW.....Our Government needs to get its head out of its Axx !!!!! If we have 55 % of female recruits who can't do 3 pull-ups who do we blame it on? YES, the recruit herself and the recruiter who has not informed or prepared her before she started her training !! You don't just fill your quota, a good recruiter will follow up and many do !!! OKAY.....with all that being said.....Would I want a female in my bunker all night (shut-up) or on patrol.....Let's put it this way..... We have many men I wouldn't want watching my "6." I have questioned many females and they do not feel ladies should be in combat.... and other females feel, yes, they should serve in combat. Would I want my daughters, granddaughters, wife in combat.....You know the answer to that.... Females in combat???? YES, if they are TRAINED//////MEN in combat?? IF THEY ARE TRAINED....that's the bottom line.....Do not lower the standards for anyone.....all those going into combat MUST be combat ready! No slack for anyone....that gets people killed....IF you can do the job... kick azz ! My Opinion !!!

Please Note: As you know we are saving thousands of dollars a year in posting the newsletter on our website, OR if our secretary has your e-mail address he will send it directly to you. Take a second and send your e-mail address to Lee n31al@comcast.net We don't send out junk mail and we don't give out your e-mail address to anyone. A good member is an informed member !!!!! I keep seeing our V V A secretary, newsletter editor, web master, V V A Pa. State Secretary shuts his office down at noon Fridays???? What's with that ???

NEWSLETTER - On the very last page you have a VVA/AVVA application.....or pick up an app. at our meetings.....Each one of you know a Nam Vet.... Get \$20.00 from him/her and the rest is easy!! Just bring them to the meeting and let them decide.

AMBRIDGE MARINE HIGH SCHOOL JROTC Night at the Races - March 1, Baden American Legion, Dinner @ 6 pm, Post Time 7:30 pm....A great time.....this outstanding group of young people support our chapter... We need to support them...call Mary Jo @ 724 266 4496 or see Barb Googins for tickets.

VA APPOINTMENTS - If you miss two medical appointments without providing a 24 hour notice and a reasonable excuse the VA will no longer treat you except in an emergency. This takes effect Feb. 7, 2014. Of course we all should try to keep our appointments.

WANABEES - Very Interesting / As of Aug. 1995 - Census Figures - 1,713,823 of those who served in Vietnam were still alive. During that Census Count, the number of Americans FALSELY claiming to have served in Nam was ""9,492,958"" Stay with me here as it becomes more interesting.....As of Aug.2000, the surviving U.S. Vietnam Vet population estimate is 1,002,511. This is hard to believe, losing nearly 711,000 between 1995 & 2000. That's 390 per day - During this same Census Count the number of Americans falsely claiming to have served "In Country" is 13,853,027. By this Census 4 out of 5 who claim to be Nam Vets are not. This is an older Census so you can imagine what the figures are today. Like the saying goes " We were Nam Vets when it was unpopular" If someone says they are a Nam Vet.....ask him several questions...When they served, location, what outfit, MOS, rank.....Give them e nuff rope and they will usually hang themselves. Of course you have those who have done the homework and will come up with the right answers. Some have even gone as far as to change the DD-214. Some have not served at all!!!! You will find, those who brag the most have served the least.....Nuff Said,,,,no matter where you served,

WELCOME HOME !!!!!!!!!!! Skip

Lee's Tid Bits

If you like Airshows by the best! Just got word that the US NAVY "Blue Angels" will be at the Westmoreland Co. Airshow Jun 7th & 8th. featuring the F/A-18 Hornets and they will also be at the Cleveland National Airshow August 30th, 31st & Sept 1st.

Also, the U S AIR FORCE Thunderbirds, featuring the F - 16 Fighting Falcons will be at the Youngstown Air Reserve Base on May 17 & 18, 2014.

I have been to many airshows and I can remember one at Westmoreland a few years ago when they had , at that time, the new Stealth do a Fly-By. It was totally amazing. You didn't even hear that thing till it already went past. Unbelievable!

On Page 16 You will see our troops standing at the Copeland Funeral home in Moon Twp as we awaited the arrival of the remains of U S A F Captain Sean Ruane, who was killed 2 weeks ago in the helicopter crash, off the coast of England. Wow was it cold that day, like a -30 Wind Chill factor, but our troops survived the cold.

Special Thanks to VVA 862 member, Cliff Hawes for taking this under his wing. Job Well done sir.

Special Thanks to every Marine's friend Don McHugh for that list of actors who served during WWII. Don sends out of a lot of information and I had never seen it before. Didn't know some of them even served.

Lee
