The annual meeting of Chapter 862 was held on April 20, 2016. As required by the VVA Constitution, the membership meeting included the election of five (5) officers for a term of two years, three (3) members of the Board of Directors for a term of three years, three (3) members of the Auditing Committee, three (3) members of the Nominating Committee and fifteen (15) Delegates, each for a term of two years. The current elected members are listed on Page 3.

Then on May 7th, we enjoyed our Annual Spring Membership Awards Banquet. After a social hour and invocation, everyone feasted on an outstanding buffet dinner, served by PJ's Deli. Entertainment was provided by AVVA Life Member Jordan Escamilla (grandson of Lee & Donna Corfield). The banquet was organized and the room beautifully decorated by AVVA members Barbara Googins and Donna Corfield.

Following dinner, the Marine JROTC cadets performed the "Field Cross Ceremony" with description by Cadet Joseph Kalemon of the meaning of each move and item making up the memorial. Kaleb Martin, a current student at The Citadel, then described the senior program that he had started while he was a Marine JROTC cadet. Cadets Coby Starkweather and Anthony Phan followed in his footsteps and continued the program during this school year by presenting two donations of \$11,000 and \$1,800 to Chapter 862. Wow!

Lon Hogue introduced the winners of the two \$1,000 Blaine Allinder Memorial Scholarships to Sienna Brock and Brandon Sell, who both read their patriotic application statements.

AVVA President Bobbie Morris presented the Recognition of Service Certificates to the AVVA members and also the following 2016 AVVA awards:

- President's Award: Laura Beitsinger
- Member of the Year: Susan Smith

VVA President Larry Googins and VVA Exec VP Bill Laughner presented the following VVA awards:

- President's Award: Ken Pingatore
- John Namath Award: Philip Morris
- Veteran of the Year Award: Gary Shaffer
- Community Service Award: Dan Madgar & the Beaver Police Department

Membership Chairman Gary Shaffer then presented the VVA Recognition of Service pins for 5, 10, 15 and 20 year VVA members.

VVA National President John Rowan conducted the swearing-in of the 2016 Officers. He followed that by an exceptional speech, describing the history of VVA, the goals and purposes of the organization, the current work that is being undertaken to support the objectives, and some insight into the potential future of the Vietnam Veterans of America. The entire evening was relaxing, enjoyable and entertaining.

AMERICANS ACCOUNTED FOR: The number of US personnel missing and unaccounted-for from the Vietnam War is still **1,621**.

Recently announced as accounted for is SFC Alan L. Boyer, USA/SF, listed as MIA 3/28/68, Laos, remains returned 6/16/98, and identified 3/16/16. Prior to this announcement, DPAA had announced the name of Major Donald G. Carr, USA/SF, listed as MIA 7/6/71, in South Vietnam, remains returned 8/29/14, and identified 8/10/15. Word is circulating that remains of 1Lt Daniel W. Thomas, USAF, the other officer missing from this incident, have been recovered. All hope that these remains will be identified as 1Lt Thomas and returned to his family; however, in reality, the osseous material recovered will undergo thorough analysis at the DPAA Laboratory in Hawaii before any conclusions can be reached.

The total accounted for is still 962 since the end of the Vietnam War in 1975. Another 63 US personnel, recovered by the US and identified before the end of the war, raises the total of US personnel accounted for from the Vietnam War to 1,025. Of the 1,621 still missing and unaccounted for, 90% were lost in Vietnam or in areas of Cambodia and Laos under Vietnam's wartime control: Vietnam-1,264 (VN-466, VS-798); Laos-301; Cambodia-49; PRC territorial waters-7. These country-specific numbers can and do fluctuate when investigations and analyses result in changes to loss locations. Since formation in 1970, the League has sought the return of all POWs, the fullest possible accounting for those still missing, and repatriation of all recoverable remains of those who died serving our nation during the Vietnam War.

May 4, 2016

Vietnam's Ability to Account for American's Missing from the Vietnam War

Family members, veteran organizations and other POW/MIA supporters throughout the country consistently opposed steps to improve economic and political relations with Vietnam until their leadership decided to cooperate fully to resolve the POW/MIA issue. The League supported a policy of reciprocity – steps by the US to respond to efforts by Vietnam to locate and return remains and provide issue-related archival documents. During the initial stages of the normalization process, important leverage was lost without commensurate results; however, there has since been greater responsiveness.

THE 16TH ANNUAL
VVA 862 DUCK RACE...

will be held on Saturday, August 27th at Hookstown Fair.
This fundraiser has raised over \$110,000 in the last 15 years.
We have 2000 rubber ducks so we have 2000 tickets. In the
past we have asked members to come up after the meeting and pick up
tickets. Many members like me forget to stop for tickets when the
meeting is over. I would like to prepare packets prior to the meeting, so
I need your help.

I would ask all members to email me at wlaugh@comcast.net with
how many tickets you want. For people who live out of town, like Skip
Haswell, I will mail them to you.

We currently have over 750 members and if all members wanted 5
tickets I would need 3750 tickets. This is a very difficult task and I need your help.

Thank you,
Bill Laughner, Duck Race Chairman

Lee's Final Tid Bits:

WOW! Where do I begin? Let's go back to the beginning starting in (2000) with our original Exec BOD which consisted of **Lloyd "Skip" Haswell as President, Michael Mikulich as Vice President, 2nd Vice President was Jon Neely**, Of course I was Secretary and **Treasurer was Bill Muns**. Just starting out, we were allowed (1) **Delegate which was Tracy King**.

Check out where we are now 15 1/2 years later. With over 700 members, we are up to 15 Delegates. What a ride it has been. So many great people that I've had the opportunity to work with not only on Committees but along side at different events. Hookstown Fair and the ultimate VVA 862 Duck Race has to be one of the best events. I can remember being at a PA State Meeting and Skip Haswell leaned over and asked, "You wanna buy a duck?" I said, "WHAT?" He said, "Do you wanna buy a duck?" Now mind you, we were in the Bar Area of the Nittany Lion Inn. Man I'm starting to think, we only just got here. I then asked him the question we all ask when it looks like people are starting to talk silly. I said, "Skip, are you ok? Did you talk all your meds today?" He said, "Yes, I'm serious." Everybody around the table started laughing and we are looking at each other like, Where did this come from? Skip took a lot of harassment that afternoon till he finally got everybody settled to where he could explain what he meant by wanting us to buy a duck. Well laugh all you want, 15 Duck Races later, those silly Duck Races have brought in over \$100,000 to go toward helping veterans in our area.

Now I should have mentioned in the beginning that these Duck Races were the idea of our now Exec Vice President William "Duckman" Laughner. Bill explained to us that he had been doing these Duck Races for the Pennsylvania Lion Clubs from all over Pennsylvania and told us how successful it was. I can remember our 1st Duck Race in the Ohio River. Actually we were in the river where the Ohio meets the Beaver. I was on afternoon turn at St. Joe but got permission to come in late so I stopped on the way to work to watch. Well, the Ducks were in the river. They were trying to round them all up. I stood on the river bank listening to these people yelling out their duck numbers as loud as they could. Now these are stupid little yellow plastic ducks with numbers on the bottom. I was almost in stitches, I was laughing so hard. Poor John Namath was in the water trying to get control of these ducks as several thought they wanted swim upriver to Pittsburgh on the Ohio. We ended up yelling at several people on their Ski Doo's (whatever they were called back then) asking them to stir up the waves so they would come back to us. They stirred up the waves and it did help us out a lot as they were getting away from us. Meanwhile, the rest of our people were trying to record the order as they were crossing the finish line. I could go on and on about several of the events we did. I had the Honor of being the Chairman of the "Moving Wall". John Namath was Chair when we brought it in 2001 and I was his Assistant Chair then. He passed in 2005 and I decided to take Chair in honor of him in 2008. What an experience! We had those bad storms come thru that Sunday night and I thought for sure one of those huge trees in Beaver were going to come down on the Wall, but I had a feeling everything was under control upstairs, if you know what I mean.

I really don't want to take up anymore then a page in the newsletter, cause I could probably fill up about 4 or 5. Let's just say the memories I have of being a part of such a fantastic group of Vietnam Veterans, both men and women is beyond belief. I will still be taking part in the military funerals as I have since day one. I will still be the Webmaster of our beautiful new site which I am very proud of.

I am going to get back into music some way shape or form and also going get my Ham Radio's fired up and start talking around the world. I'll be at the end of my email address if anyone needs anything. Don't forget to check out the Website often as there are times things change daily. Love You All!

Lee
