"STARS for VETS"

It is now time to start the
"Stars for Veterans" campaign.

We will be looking for a
"Few Good Men (and Women)"
to get involved.

We are asking that each Township, Borough, City, etc. be adopted by one or two people. Based on the areas covered last year, this means about 14 people minimum, unless someone takes on more than one area. Taking on one area, such as Aliquippa, would be a very minimal task.

Let's spread the work load around so that no one is burdened.

Please be thinking about this and consider selecting one of the areas that we cover.

Thank You,
Cliff Hawes, 2nd VP

**POW / MIA - Information taken from the
 Nat League of POW/MIA Families**

UPDATE: As of October 16, 2015

AMERICANS ACCOUNTED FOR: There was recently an unannounced change to the list of missing and unaccounted-for US personnel, now numbering **1,626**. For various reasons, including wishes of the family, DoD announcements are often delayed far beyond the ID dates and sometimes not even made, as was the case with the most recent change, though not a recent ID; it occurred in 2012. Several of those named this year demonstrate how remains repatriated many years ago can now be identified using scientific technology and processes that weren't available in earlier years. The number of Americans now listed by DoD as returned and identified since the end of the Vietnam War in 1975 is 957. Another 63 US personnel, recovered by the US and identified before the end of the war, bring the total of US personnel accounted for from the Vietnam War to 1,020. Of the 1,626 still missing and unaccounted-for, 90% were lost in Vietnam or in areas of Cambodia and Laos under Vietnam's wartime control: Vietnam-1,268 (VN-467, VS-801); Laos-302; Cambodia-49; PRC territorial waters-7. These country-specific numbers can and do fluctuate due to investigations resulting in changed locations of loss. Since formation in 1970, the League has sought the return of all POWs, the fullest possible accounting for those still missing, and repatriation of all recoverable remains.

**VIETNAM'S GENERAL SECRETARY
 VISITS WHITE HOUSE:**

Unbelievable as it may seem to some in the Vietnam War generation, General Secretary of the Communist Party of Vietnam Nguyen Phu Trong held discussions with President Obama at the White House on July 7th. The General Secretary was accompanied to Washington by very senior level officials, including Deputy Prime Minister/Foreign Minister Pham Binh Minh, Vice Minister of National Defense Nguyen Chi Vinh, Vice Minister of Public Security To Lam, and many other senior officials with whom the League has met for years. The agenda during the General Secretary's visit was extremely busy and included a luncheon at the State Department hosted by Vice President Joe Biden and a buffet dinner reception in his honor hosted by Vietnamese Ambassador Nguyen Pham Quang Vinh, both events attended by the League Chairman of the Board. On July 30th, Ambassador Vinh also hosted a reception at the US Institute for Peace to commemorate the 20th anniversary of diplomatic relations between the US and Vietnam. Other noteworthy anniversaries in 2015 included the 70th of Vietnam's National Day with a reception hosted by Ambassador Vinh, and another not individually celebrated, but certainly noteworthy, the 40th anniversary of the end of the Vietnam War. Seldom mentioned was the 30th anniversary of the first US-SRV joint recovery effort in northern Vietnam, also in 2015.

SERVICE MINISTER MEETS WITH LEAGUE & VSO REPRESENTATIVES:

Vietnam’s Vice Minister of National Defense Senior LTG Nguyen Chi Vinh met September 30th with League Chairman of the Board Ann Mills-Griffiths and senior American veteran leaders. At the League’s request, Veterans of Foreign Wars Executive Director Bob Wallace, Chairman of The American Legion’s National Security Commission Michael Schlee and Vietnam Veterans of America Executive Director for Government Relations Rick Weidman represented the leadership of the Veterans Service Organizations (VSOs). Vice Minister Vinh was in Washington, DC, for the Bilateral Defense Dialogue (BDD) at the Pentagon, comprehensive discussions on broader issues of mutual interest in keeping with increased military-to-military relations.

Chairman’s Comment: Vice Minister Vinh also had important meetings with members of the US Senate and House, with officials in the Defense, Commerce and State Department, Office of the US Trade Representative and a session with the Center for Strategic and International Studies. This was all following the significant, and historically symbolic, visit of the General Secretary.

The pace and scope of bilateral US-Vietnam relations have vastly expanded and continue to grow, all to the advantage of increasing POW/MIA accounting cooperation, now at an all-time high. It will expand further if the US succeeds in sustaining the FY16 budget and level of personnel necessary to meet requirements. Increases for FY17 and FY18 will be necessary to maximize the effort to obtain answers before it is too late.

In the years since Vietnam first proposed expanding the pace and scope of POW/MIA accounting operations, the US did not rise to the occasion by expanding its ability to be more responsive. That now appears to have changed, and there is reason for optimism that the newly appointed DPAA leadership is moving in the right direction to meet expectations of the families and veterans.

An Open Letter to All VVA Chapters in the Com- monwealth of Pennsylvania:

Ladies and Gentlemen:

Our organization, The Liberty War Bird Association, will be sending out more information shortly on our plans to get a Huey fully operational and flying in Pennsylvania!

We are asking all VVA Chapters for help! Perhaps we can make this a State-Wide effort and possibly get a little ink in The Veteran. We're based in Lititz, PA and are looking for support from all the veterans groups in the state.

**Most of our volunteers are
Vietnam veterans.**

I'm a member of Chapter 436 and they have been very supportive of our mission. Our organization will also attend Chapter 1008's Meet and Greet on the 21st of October in Lancaster.

Our website and Facebook pages are full of information about us. We think getting a Vietnam veteran Huey flying in Pennsylvania would be a fantastic thing for all the veterans in the state.

Please feel free to contact me via email or give me a call if you'd like to discuss or have any questions, and thanks very much for your time.

Respectfully,

Jim Haga

Vietnam Veterans of America Memorial Highway Clean-up

On October 10th, Charles Ray again led the charge for the fall highway pickup along the Route 18. Only six members of our chapter showed up to help - Carl Curtis, Tom Decker, Larry Googins, Ron Heitzenrater, Charles Smith and Larry Tanner. Fortunately, six cadets from the Marine JROTC also arrived to support us. Additionally, two members of the Beaver County Sheriff's department, Officers Jennifer Bredemtier and John Blank assisted us with traffic control. Their help provided a much safer environment for the cleanup effort. Please thank Charles Ray for stepping up to honcho this project and his team for keeping our VVA named highway clean. Let's try to do better next time to help him. Thanks. Larry Googins, President

Lee's Tid Bits:

A request has been made that we publish the birthday (1) month in advance. So, this month you will notice the (2) lists of birthdates, both November & December. This is only because we can't get the newsletter out as early as we'd like. I would love to have this in your email by the 3rd of the month but I usually have to wait a longer time for people to get me their items for the newsletter.

Secretary & Newsletter Editor in 2016

I only have (6) more months to worry about it. At this past dinner and the June 2015 issue, I mentioned that next year we will be looking for a new Secretary and Newsletter Editor. That hasn't changed. 16 years is enough. I know this for a fact, we have some very smart people that have joined our chapter since day one back in 2000. I'm looking forward to maybe a new look, a new approach. You people have to be getting tired of me. As I said before, I will still keep the Website. The website will be set up so I can update it wherever I'm at. So if my wife and I decide to take a trip out west. I'm really looking forward to the time off. If we want to do something, we'll do it. Still have to think about the health first.

Really I'd like to get back in to music and Ham Radio again. Back in the 90's I was doing both and since we started this chapter in 2000 all that has stopped.

If anyone is interested. Please let me know. We'll start asking for interested candidates in January.

Lee

More Tid-Bits:

Donna and I and Jordan, our grandson, who played the music for our Awards Banquet in May, also a LIFE member of AVVA, attended the US NAVY Band, (The Commodores) event at Soldiers & Sailor Hall in Oakland last month. I understand several members attended. Some of the band members were from our area. They were excellent.

Another event I attended was the Renaissance Rhythm Chorus event at the Monaca Turners where all Veterans were invited to their annual show. Yes we did see a few of our members there also.

VVA 862 presented the colors along with the Ambridge Jr ROTC doing their Silent Drill routine. Those young men and women do an excellent job. I want to call them kids, but being most of them will be soldiers or sailors next year, make me not call them kids. The future of our nation!

As chapter members, only my opinion, I think we should be thinking about attending some of these events. It's always nice

running into members of our chapter at these events. What was really nice was running into Clem Blazewick (another VVA 862 LIFE member) was one of the ushers at the Navy event at Soldiers & Sailors. He is also a member of VVI (Vietnam Veterans Incorporated) of Pittsburgh, another great group of veterans who serve the community very well in the Pittsburgh area.

Question: Are you reading your newsletter?

We had a member contact us about the bricks located at both our Vietnam Memorial in Beaver but also the Veterans Bridge. All this information has been in the newsletters for months, in fact, the information on the bricks at the Beaver Memorial are in the newsletter every month.

You wouldn't believe the phone calls, not only myself but other officers get, asking us about when something is or where it's located or what time something is going on. Most of the time, if you just look in your newsletter, you will most likely find the answer to your questions.
