A Tribute To Veterans

Pathway Church honored six veterans on Friday, November 4th by presenting them with “Quilts of Valor” at their annual Veterans Day and Military Tribute Dinner. The mission of providing these quilts is to “cover service members and veterans touched by war with comforting and healing “Quilts of Valor.” Three of the recipients were from our chapter. Richard Pegg, Bill “Duck” Laughner, and Don Vilella were each chosen to receive a quilt.

Before the awards ceremony, members of Pathway Church provided a delicious dinner, inspirational music, moving testimonies, and a powerful message from their guest speaker. The entire program was free for military service member and veterans. Several members from our chapter attended. This was the third year that Pathway Church honored our veterans for their Veterans Day and Military Tribute Dinner. The entire program was rewarding and enjoyable.

Please remember to thank the staff, ministry and members of Pathway Church for remembering and honoring our service members and veterans. Please consider attending this event in the future, you will not be disappointed.

and company assets that we have worked on for so many years, so that we continue to perpetuate our mission. The second committee will explore options for the dissolution of the organization, basically whether it terminated (last man standing), charting and empowering a new organization, or combine with another established veterans group to carry on our legacy. This may take several years and the final resolution will eventually be decided by a vote of the membership delegates at a future VVA National Convention. If you are interested in becoming a member of one of these panels/committees, please contact me.
